Presence of Japanese Investors

S A J A

A joint venture between Saudi investors and leading Japanese pharmaceutical companies:

Daiichi Sankyo Co., Ltd.
Astellas Pharma Inc.
Opportunities

- Training for healthcare professionals
- Institutional Partnership
- Public–Private–Partnership
- Transfer of Technology
- Research
- Health Facility Development
SUMMARY

- Healthcare is a promising avenue for collaboration but requires robust business–to–government initiatives.

- Opportunities are numerous and can be identified through the MoH 10–year strategic plan.
THANK YOU...
